**For Immediate Release:**

**LIFESPAN TO RECEIVE RECYCLER OF THE YEAR AWARD**

Omaha, NE – October 13, 2009 – LifeSpan Technology Recycling announced today that it will be presented with WasteCap Nebraska’s Recycler of the Year Award at WasteCap’s 2009 annual membership meeting and awards luncheon. The award is presented each year to a service provider that has shown innovation in making recycling more accessible to end-users, and has developed new markets for previously hard-to-recycle materials. In addition, the recipient must employ the highest standards for responsible materials handling.

“We are delighted to be recognized by WasteCap Nebraska” stated LifeSpan President Dag Adamson. “Our operations in Omaha are a critical component of LifeSpan’s national network of electronics recycling facilities.”

WasteCap Nebraska Executive Director Carrie Hakenkamp said, “WasteCap Nebraska is pleased to be able to recognize LifeSpan Technology Recycling. Their commitment to professional end-of-life recycling services helps provide Nebraskans with an environmentally responsible method for managing retired electronics.”

The event will be held at The Country Club of Lincoln on Thursday, October 15th, 2009 from 11:30 AM - 1:00 PM. Tickets are \$20 per person or \$160 per table for WasteCap members and \$25 per person or \$200 for non-members. To register by phone call (402) 434-7376 or mail check to Annual Award Luncheon, WasteCap Nebraska, 285 S 68th St. Pl., Suite 540, Lincoln, NE 68510.

**About LifeSpan Technology Recycling:**

Founded in 2002, LifeSpan Technology Recycling ([www.lifespanrecycling.com](http://www.lifespanrecycling.com)) is a managed services company that provides electronic asset retirement services to corporations, municipalities, and not-for profit organizations nationwide. LifeSpan offers companies and organizations the flexibility of handling large quantities of equipment with a customized program. We also manage a full range of end-of-life information security issues for our clients. LifeSpan works exclusively with EPA-registered and regulation-compliant partners to maintain the highest standards of environmental protection and ethical business practices.

**About WasteCap Nebraska:**

WasteCap Nebraska is a non-profit organization that provides confidential, non-regulatory waste reduction and recycling services to Nebraska businesses. WasteCap offers on-site assessments, employee training, workshops and product recycling research as well as recycling contract management services.
